Subject: APPLICATION FOR REGISTRATION AS TOWN OR VILLAGE GREEN LAND AT YARMOUTH RECREATION GROUND< YARMOUTH

Dear Miss Chaskley

Thank you for your letter of 12 November 2009 regarding the above subject.

Yarmouth Town Council fully supports the application for Yarmouth Recreation Ground to be registered as Town or Village Green.

The Town Council has recently approved a Community Plan which has identified amongst other things the need to improve the Yarmouth Recreation Ground. Registration as Town or Village Green is seen as the best way to safeguard the future of the Recreation Ground and ensure that it continues to be there and available to the current and future generations as a recreational facility which can be enjoyed and used for sporting and recreational purposes including by the local football team which has used the ground for very many years.

I hope this is helpful.

Please acknowledge receipt of this message.

Yours sincerely
Bob Blezzard

Dear Sir/Madam

RE: Recreation Ground – Application for Village Green Status - Yarmouth

In relationship to the above application, we would like to make it clear we did not receive any communication regarding the consultation period that I understand has ended.

However we would like to stress the importance to us as a family in supporting the application for town green status. We have used the recreation ground over the last nine years on an ad hoc basis for the following: running, football, rugby training, cricket, blackberry picking, picnics in addition to the swings etc within the playground area.

The recreation ground is used extensively and is a good meeting place to meet other families. In the nine years we have used the area we have never encountered restrictions in using the area for all the above reasons. It is of paramount importance the area is given the classification the application seeks.

Should you require any further information please call me – [REDACTED]

Yours faithfully

[REDACTED]
